

Prism Career Institute Cost of Attendance 2025-2026 Academic Year

New Jersey Campuses (Cherry Hill & W. Atlantic City Only)

The institution's Cost of Attendance listed below assumes full-time enrollment and is for one academic Year. The Cost of Attendance is subject to change.

The Cost of Attendance is calculated based on the average amount assessed students across each program of study and each Cost of Attendance category. The institution's Catalog lists the actual cost of tuition and fees assessed by program.

Books, Course Material, Supplies & Equipment, **Personal and Miscellaneous Fees, Living Expenses (formerly Room and Board), and Transportation costs are expenses the student will pay for on his or her own.** These costs are estimates only and may vary substantially from student to student. Tuition and Fees along with required Course Materials, Supplies & Equipment will be charged directly to the student's account with the institution. Students have the right to decline and seek Course Materials, Supplies & Material on their own if available. These applicable charges will be removed from the students ledger, however, will remain as part of the Cost of Attendance.

Students are charged a one-time Registration fee that is paid prior to enrollment at the institution. These fees are not included in the Cost of Attendance.

Other Allowed Expenses 2025-2026

The Department of Education also provides for several optional components to a person's individual cost of attendance. These are considered on request.

Personal Computer:

All students may request a one-time increase to their cost of attendance for the purchase of a personal computer up to \$500 upon submission of a receipt of sale.

Dependent Care Expenses:

For a student with one or more dependents, the cost of attendance allowance can be increased for actual dependent care expenses if it is necessary for the student to place the children in care in order to go to school. Students may request an increase for dependent expenses by providing documentation of the expense which can include invoices paid to a child care provider.

Disability Related Allowance:

On request, students may request to have their cost of attendance allowance increased for expenses related to a student's disability by providing documentation of the disability and the related expense
